# BILINGUALISM

*Since 1993, Haut-Lac’s bilingual stream has provided students with a communicative edge and a better understanding of the world.*

## In Infants & Primary

Partially or fully bilingual tuition:  
50% English and 50% French.

## In Secondary

Progressive bilingual option:  
the number of subjects studied in the student’s second language gradually increases as their knowledge of the language develops.

Fully bilingual option:  
Students in lower secondary study the sciences and the humanities, alternating the tuition language of each subject every semester

Upper secondary students who wish to obtain a bilingual IB qualification, build their own bilingual programme from a list of over 30 options.

**100%**  
INTERNATIONAL BACCALAUREATE  
DIPLOMA PASS RATE
